GLASS OPTIONS:

- Clear

- Laminated

- Solar-Control

- Reflective

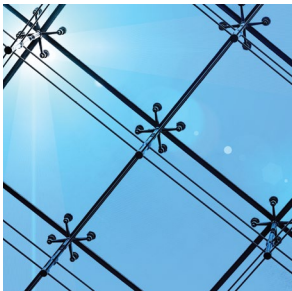

and more.

CANOPIES

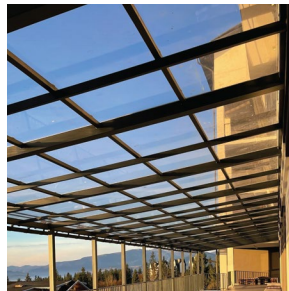

Make entrances welcoming, bright and weather-ready.

Architectural glass canopies protect doorways and terraces while keeping spaces light.

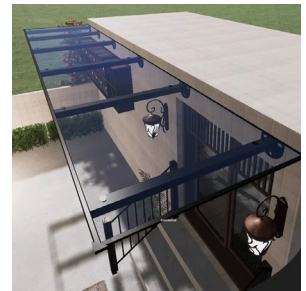

We build to suit residential and commercial façades.

Frameless
spider-supported
canopies

Aluminum-framed
supported canopies

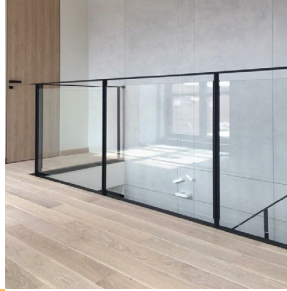

Adhesive/bolted
supported canopies
(project-specific)

HANDRAILS

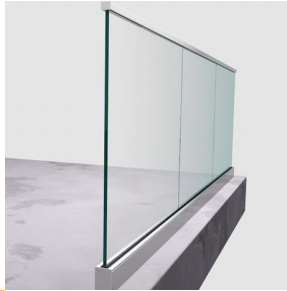

Robust handrails and balustrades for stairs, balconies, decks and rooftops.

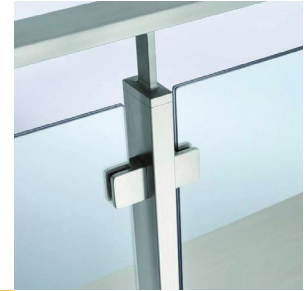

Aluminum-supported handrails

Spigot-mounted glass balustrades

Stainless channel base shoe handrails

Clip-supported profiles

GLASS OPTIONS:

- Clear
- Laminated
- Solar-Control
- Reflective and more.

GLASS OPTIONS:

- Clear

 - Laminated

 - Double-Glazed

 - Solar-Control

 - Reflective

- and more.

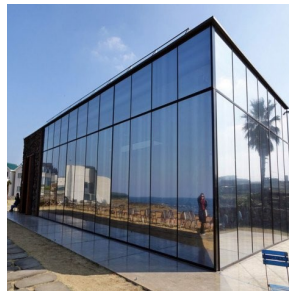

FAÇADES

Daylight, performance and presence.

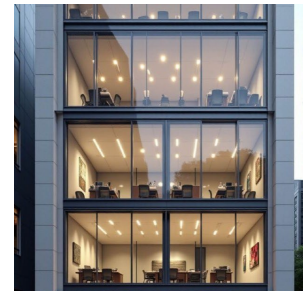

From boutique fronts to multi-storey glazing, we deliver high-clarity curtain walls and statement lobbies with the right glass for solar control and safety.

Spider-supported
façades

Aluminum-supported
façades

Stainless-steel
channel façades

CEILING

Ceilings that finish the space.

Acoustic, decorative or serviceable—we install ceiling systems with seamless lines and easy access where needed.

Concealed ceiling
(flush look)

Grid ceiling (lay-in tiles, service access)

Strip/linear ceiling

Feature ceiling
(bespoke details)

MATERIAL OPTIONS:

- Gypsum (standard, moisture-resistant, fire-rated)
- PVC strips
- Cladding panels
- Glass features

DOORS, WINDOWS, & PARTITIONS

Moveable light, defined spaces, safe edges.

Precision-built openings and dividers in aluminum, stainless or PVC systems

Swing windows/doors

Sliding windows/doors

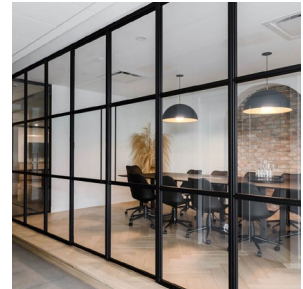

Sliding-folding sets

Lift-and-slide doors

Fixed partitions & glass walls

Aluminum-supported

GLASS OPTIONS:

- Clear
- Laminated
- Double-Glazed
- Solar-Control
- Reflective and more.

SHOWER CUBICLES & MIRRORS

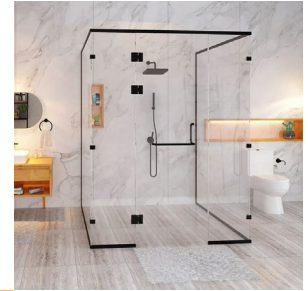

Spa-clean lines for hospitality and homes.

Custom shower enclosures in Clear, Privacy/Frosted, Fluted and more—paired with mirrors that elevate vanities and public washrooms.

SHOWER SYSTEMS
